

## **Cross border at Sault Ste. Marie**

The most picturesque drive to the camp, which lets you see spectacular scenery along the north shore of Lake Superior, is to cross the border at Sault Ste. Marie and drive north on highway 17 to Wawa.

Then go east on highway 101. Then drive 80 miles East towards Chapleau. When you reach the junction of highway 101 and highway 129, You will see a sign to turn north (left) to Chapleau. You want to drive straight. 101 turns into highway 129. Drive about 200 yards past the Chapleau cutoff and on the right will be a Moose Horn Lodge sign. Turn right on Sheppard Morse Road and drive a few hundred yards to the lodge.

We are located about 10 miles south of Chapleau of off highway 129.
